

PMAESA WELCOMES ABU DHABI MARINE SERVICES – SAFEEN

The PMAESA Secretariat is proud to welcome our newest member: Abu Dhabi Marine Services - SAFEEN.

Established in March 2013 Abu Dhabi Marine Services or “SAFEEN” provides a comprehensive range of world-class marine services and ancillary quayside services for vessels calling at all Abu Dhabi Ports. SAFEEN is a wholly owned subsidiary of Abu Dhabi Ports and represents a team of over 150 certified and extensively trained professionals who work together to ensure a superior, prompt & cost-effective service.

By deploying a dedicated team and modern technology, equipment, and marine assets, SAFEEN provides a wide range of marine services which includes vessel traffic services (VTS), pilotage, harbor towage and mooring, as well as an innovative portfolio of additional services, including garbage disposal, bunkering, fresh water delivery, issuing of permits and diving services etc.

An advanced fleet of tugs and other vessels support SAFEEN’s efforts to ensure safe and timely passage of all vessels through Abu Dhabi’s ports.

SAFEEN is recipient of many industry distinctions including- the International Safety Management (ISM) certification, ISO 9001-2015, ISO 14001-2004, OSHAS 18001-2007 certifications

About Abu Dhabi Ports

Abu Dhabi Ports (AD Ports) is a master developer and regulator of ports and industrial zones.

Its purpose is to create a sustainable growth platform that spurs economic expansion and diversification for Abu Dhabi by developing world-class infrastructure, real-estate and business services in conjunction with the private sector.

AD Ports has been mandated to develop all seaports (with the exception of oil & gas and military ports) and related infrastructure in the emirate of Abu Dhabi.
